HOW DONATIONS MAKE A MEANINGFUL DIFFERENCE

Your gifts. Their lifeline.

This Project Summary is all about what we accomplished to date in support of the Armenians of Syria. Many of these efforts remain ongoing due to the severity of the needs and the uncertainty of the situation. New initiatives are surely on the horizon as the dynamics on the ground in Syria and in host countries dictate.

These vulnerable but proud Armenians deserve a chance to get back on their feet, as newcomers to a foreign land or as survivors of the horrors of war. With your continued support, they will overcome their current misfortunes to, once again, show the world how the indomitable Armenian spirit ultimately triumphs over tragedy.
